- 24.3. Subcontractors. The Vendor shall not, without the prior written consent of Marand, assign, transfer, or subcontract the performance of any or all of the Vendor's obligations or benefits under this Agreement to any person or entity, including all subcontractors and affiliates of the Vendor, other than the Vendor's employees (each such approved subcontractor or other third party, a "**Permitted Subcontractor**"). Each Permitted Subcontractor must be bound in writing by the confidentiality provisions of this Agreement and, upon Marand's written request, must enter into a non-disclosure or intellectual property assignment or license agreement in a form that is reasonably satisfactory to Marand. Marand's consent to the same shall not relieve the Vendor of its obligations under this Agreement, and the Vendor shall remain fully responsible for the performance of each such Permitted Subcontractor and its employees and for their compliance with all of the terms and conditions of this Agreement as if they were the Vendor's own employees. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal, or unenforceable, the court may modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

24.7. Waiver. No waiver by Marand of any of the provisions of this Agreement is effective unless explicitly set forth in writing and signed by Marand. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement operates, or may be construed, as a waiver thereof. No single or partial exercise of any right, remedy, power or privilege hereunder precludes any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

24.8. Personal Data.

(a) Each party acknowledges and agrees that, with the exception of professional contact details of its employees ("**Business Contact Data**"), it does not intend pursuant to this Agreement to:

(b) The parties acknowledge and agree that each party may process any Business Contact Data received from the other party as controller (as such term is defined in applicable data protection legislation) for the purpose of: (i) carrying out diligence and administrative tasks prior to the provision or receipt of the Services; (ii) applicable legal or regulatory requirements; (iii) requests and communications from competent authorities, courts, or tribunals; (iv) protecting its rights; and (v) administrative, financial accounting, risk analysis, fraud/crime prevention, and business relationship purposes (the "**Purposes**"). The parties further acknowledge that Business Contact Data may be disclosed by the receiving party to, and processed by, other members of the receiving party's group of companies, competent authorities, courts, and tribunals, the receiving party's professional advisors, and other third-party service providers of the receiving party ("**Disclosees**") for one or more of the Purposes. Notwithstanding anything contained herein to the contrary, Business Contact

For this purpose, "**PII**" shall mean a person's first name and last name or first initial and last name combined with any one or more of the following data elements that relate to a person: (1) Social Security number, (2) driver's license number or state issued ID card number, (3) a financial account number, or (4) credit or debit card number. (c) Each party shall comply with data protection legislation applicable to that party from time to time when processing Personal Data.

(d) The Vendor shall ensure that any Business Contact Data it makes available to Marand has been collected lawfully, fairly, and in a transparent manner so as to enable such Business Contact Data to be processed by Marand and its Disclosees for all of the Purposes.

(e) If notwithstanding Section 24.8(a), Marand accidentally, unknowingly, or otherwise discloses to the Vendor Personal Data other than Business Contact Data, Marand shall notify the Vendor promptly and shall, at the discretion of Marand and subject to Section 24.8(b), return or destroy such Personal Data.

All non-public, confidential or proprietary information of Marand, including but not limited to, specifications, samples, patterns, designs, plans, drawings, documents, data, business operations, customer lists, pricing, discounts or rebates, disclosed by Marand to the Vendor, whether disclosed orally or disclosed or accessed in written, electronic or other form or media, and whether or not marked, designated or otherwise identified as "confidential" in connection with this Agreement (collectively, "**Confidential Information**") is confidential, solely for the purpose of performing this Agreement and may not be disclosed or copied unless authorized in advance by Marand in writing. Upon Marand's request, the Vendor shall promptly return all Confidential Information, documents, and other materials received from Marand. Marand shall be entitled to injunctive relief for any violation of this Section. This Section does not apply to information that

is: (a) in the public domain; (b) known to the Vendor at the time of disclosure; or (c) rightfully obtained by the Vendor on a non-confidential basis from a third party.

24.10. Legally Required Disclosure. If the Vendor is legally required to disclose any Confidential Information of Marand in connection with any legal or regulatory proceeding, then the Vendor will, if lawfully permitted to do so, promptly notify Marand prior to disclosure and to allow Marand a reasonable opportunity to seek appropriate protective measures or other remedies prior to disclosure and/or waive compliance with the terms of this Agreement. If these protective measures or other remedies are not obtained, or Marand waives compliance with the terms of this Agreement, then the Vendor may disclose only that portion of that Confidential Information that it is, according to the opinion of counsel, legally required to disclose and will exercise all reasonable efforts to obtain assurance that confidential treatment will be accorded to that Confidential Information. Such information will remain Confidential Information for all other purposes. As required by the Defend Trade Secrets Act of 2016 and notwithstanding any other provision of this Agreement to the contrary:

- (a) The Vendor will not be held criminally or civilly liable under any federal or state trade secret law for any disclosure of a Marand trade secret that: (1) is made both: (A) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney and (B) solely for the purpose of reporting or investigating a suspected violation of law; or (2) is made in a complaint or other document that is filed under seal in a lawsuit or other proceeding.
- (b) If the Vendor files a lawsuit for retaliation by Marand for reporting a suspected violation of law, the Vendor may disclose Marand's trade secret to the Vendor's attorney and use the trade secret information in the court proceeding if the Vendor both: (1) files any document containing the trade secret under seal and (2) does not disclose the trade secret, except pursuant to court order.
- (c) The Vendor agrees that, notwithstanding any provision in this Agreement to the contrary, Marand may disclose the terms of this Agreement, including the Vendor's identity, services rendered, and the payment terms, in accordance with any regulatory examination.

24.11. Relationship of the Parties. Nothing herein shall be construed to create a joint venture or partnership between the parties hereto or an employee/employer or agency relationship. The Vendor shall be an independent contractor pursuant to this Agreement. Neither party hereto shall have any express or implied right or authority to assume or create any obligations on behalf of or in the name of the other party or to bind the other party to any contract, agreement, or undertaking with any third party.

24.12. Governing Law. This Agreement and all related documents, including all exhibits (if and as applicable),

and all matters arising out of or relating to this Agreement, whether sounding in contract, tort, or statute are governed by, and construed in accordance with, the laws of the State of Texas, United States of America, without giving effect to the conflict of laws provisions thereof to the extent such principles or rules would require or permit the application of the laws of any jurisdiction other than those of the State of Texas.

24.13. Submission to Jurisdiction. Any legal suit, action, or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby shall be instituted in any United States federal court or state court located in the State of Texas in the City of Dallas and County of Dallas, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding. - 24.17. Equitable Remedies. Each party hereto acknowledges that a breach or threatened breach by such party of any of its obligations under any of Sections 9, 10, 18, 19, 23.2, or 24.8 would give rise to irreparable harm to the other party for which monetary damages would not be an adequate remedy and hereby agrees that in the event of a breach or a threatened breach by such party of any such obligations, the other party hereto shall, in addition to any and all other rights and remedies that may be available to it in respect of such breach, be entitled to equitable relief, including a temporary restraining order, an injunction, specific performance, and any other relief that may be available from a court of competent jurisdiction (without any requirement to post bond).
- 24.18. Amendment and Modification. - 24.19. Entire Agreement. This Agreement, and all related exhibits and schedules, constitutes the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein and therein, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to such subject matter.  - (c) these Terms; and
 - (d) to the extent not covered by Section 24.19(a), any referenced document, plan or specification whether attached or incorporated by reference.
- 24.20. Interpretation. For purposes of this Agreement, (a) the words "include," "includes," and "including" are deemed to be followed by the words "without limitation"; (b) the word "or" is not exclusive; and (c) the words "herein," "hereof," "hereby," "hereto," and "hereunder" refer to this Agreement as a whole. Unless the context otherwise requires, references herein: (x) to sections, schedules, and exhibits mean the sections of, and schedules and exhibits attached to, this Agreement; (y) to an agreement, instrument, or other document means such agreement, instrument, or other document as amended, supplemented, and modified from time to time to the extent permitted by the provisions thereof; and (z) to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. - 24.22. Force Majeure. No party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, when and to the extent such party's (the "**Impacted Party**") failure or delay is caused by or results from unforeseen effects of the following force majeure events ("**Force Majeure Event(s)**"): (a) acts of God; (b) flood, fire, earthquake, epidemics, pandemics, quarantines, or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (d) government order, law, or action; (e) embargoes or blockades in effect on or after the date of this Agreement; and (f) national or regional emergency. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of 30 days following written notice given by it under this Section 24.22, the other party may thereafter terminate this Agreement upon 30 days' written notice.
